More Moves:

Thank you to Liberty Movers on a job well done on-time and on budget getting PMG into our new quarters. Thank you to PMG employees who put up with living out of cardboard boxes for months before (and after) the event.

A sincere thank you to **Mike DiDonato of Navigator Consulting** for his hard work and endurance in finding suitable space for PMG, to Ray Borsella Sr. for advice and guidance despite his insistence on a 1.5 hour daily commute (:-), as well as all the PMG people for their support and encouragement.

Moo-v: A retrospective look at a great D’Addario ad.

Look who has moved up...

PMG happily announces the launch of a new website for **Long Island Prevention Resource Center** at liprc.org. With a robust Events Calendar and a complete Resource Center, the new site is a hub for drug abuse prevention info and resources to support drug-free communities. The website facilitates LIPRC’s mission to build community coalitions that focus on effective strategies to deal with alcohol and drug abuse in Nassau and Suffolk Counties. Congratulations LIPRC and thank you for the valuable work you do!
